Let us Flower Your Place

## FLOWER YOUR PLACE: MORE COLOUR AND BIO DIVERSITY FOR YOUR MONEY

Flower Your Place offers local councils the best choice for public spaces:

- Flowering bulbs, mechanically planted.
- Perennials, complete concept.
- Wildflowering mixtures, from seed.

These products fulfil the most important conditions:

- Very low maintenance level.
- Limited investment, low depreciation.
- High ornamental value, with lots of colour.
- Large impulse on biodiversity.
- Small impact planting.
- High appreciation by residents.

Flower Your Place offers a flowering guarantee on all products, due to our conceptual approach and high quality standards.
